WHO WE ARE

OTC MONEY WALLET is managed by a team of professional traders with expertise in one of the innovative and fastest growing financial market. We leverage our years of trading experience along with support of technology to provide the best financial solutions.

We serve both professional investors with many years of experience in profiting from crypto currencies and new users who only begin their path in crypto world and are willing to receive an easy access to profitable digital assets.

Trade Bot is an innovative 100 % auto trading software for Crypto currency. The AI-powered engine analyzes all market data automatically to reveal hidden insights- in a fraction of the time it would take to do manually, and then execute trade on an automatic exchange using API.

A variety of tasks calculated at the same time in tenths of a second to predict the next move.
